Meeting Agenda:

- Discuss responsibilities of the eco council
- What should the eco council do for school
- Discuss how we can help the local environment
- Discuss ideas for improving the school grounds
- How can we make our school and environment better?

Discussion:

- The group introduced themselves
- Every child gave a word or phrase that they think explains the role of the eco council e.g. environment, littering, save energy and electricity
- We discussed ideas of how we can improve the school environment and eco council.
- We discussed making posters to encourage people to switch off lights.
- I explained to children their role of recycling and how they need to empty the recycling bins every day.

Actions and follow up:

- Eco council members to empty recycling bins daily.
- Eco council to litter pick with Mrs Bannister around school weekly.
- Eco council to help Miss Semplis plant and improve school grounds and nature garden – will finalise details.
- Eco council to make posters for around school at the next eco council meeting.
- KS2 eco-councillors and ambassadors to lead an assembly on the Green Cross code – will liaise with Mrs Bannister.
