

## Parent Guide

1

Type **play.numbots.com** into your browser's address bar.

2

Click the green arrow > Schools > Pupils

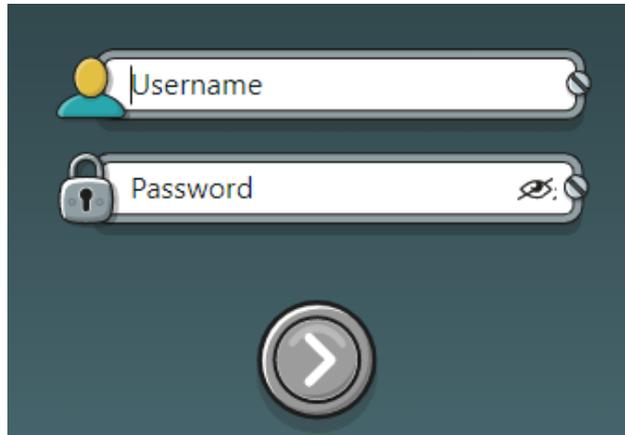

3

Enter the School Name – you can type Dorney School or our postcode to find our school login page.

4

Enter your child's username and password. This can be found inside your child's reading record. Please contact Miss Davies via the office if you cannot find your child's login.

A login form with a dark teal background. It features two input fields: the top one is labeled 'Username' with a person icon on the left and a clear button on the right; the bottom one is labeled 'Password' with a lock icon on the left and a visibility toggle icon on the right. Below the fields is a large, circular, grey button with a white right-pointing arrow.
