Parking too near to the school entrance puts children in danger

The Green Cross Code asks pedestrians to cross roads away from parked vehicles. However, the roads to our school often have no clear space, making it more dangerous for children to cross and harder for drivers to see them.

Young people are more likely to die or suffer life-changing injuries on the roads than any other age group. You can help by driving slowly through the village, by taking extra care to be aware of the children and by parking away from school.

Using the car less would help to reduce the congestion and danger

Many children are driven to school when they could easily walk part or all the way.

Walking has many benefits:

- Helps keep children fit and healthy
- Develops traffic awareness skills
- Keeps the environment cleaner
- Reduces traffic outside school at starting and finishing times.

Sign the Parents' Parking Promise and make your school a safer place

Please help us by completing the slip below. By returning this you are undertaking not to park or drop off your children at the school gates thereby protecting the lives of all the children who attend our school.

Thank you for signing the Parents' Parking Promise

Dorney School Parents' Parking Promise

- ✓ I will protect the safety of children at my school by being a thoughtful driver and adhering to speed limits.
- ✓ I will try to use my car as little as possible for school journeys and park in the dedicated car park behind school (Trumper's Field).
- ✓ I will not park or drop children off at the school entrance or block the neighbouring houses entrances.
- ✓ I will not use the staff car park unless I have a special permit.
- ✓ I will be considerate of children, families, drivers and local residents.
