Newsletter 28th March 2025

Wishing our Muslim families, a Happy Eid and all mothers a Happy Mother's Day

Dear parents,

Do take a look at some exciting holiday, and after school clubs that In-2-Sport are organising. If your child attended the February half-term club, you will know how amazing the club leaders are. If you are thinking of an Easter all day fun club for your child, do take a look at the posters below. Club leaders are also eager to run a netball club as an after-school activity, and an Olympics (multisport) club every Thursday lunchtime at school. We think that these clubs are amazing value for money, and would recommend them for your children. Details are at the end of the newsletter and on the school website.

PTA Quiz Night

A really fun night full of laughter, competition and delicious pizzas. The children who came had their own quiz and were encouraged to participate. There were many amazing prizes for the raffle too. Thank you to Ben for being an excellent and dapper quiz master, and the PTA for their hard work as always. The event raised £861.60

Easter Cracker at St James The Less Church

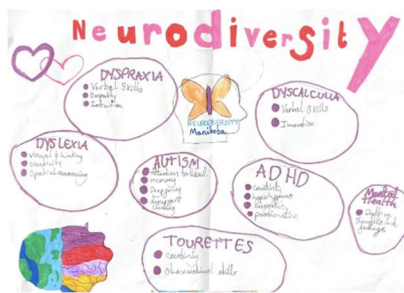

Year 4 had a lovely afternoon at the church for their Easter Cracked session. They played a game of bingo where they had to find key words from the Easter story, and then moved around the church taking part in different activities. The children were even lucky enough to have a little egg at the end!

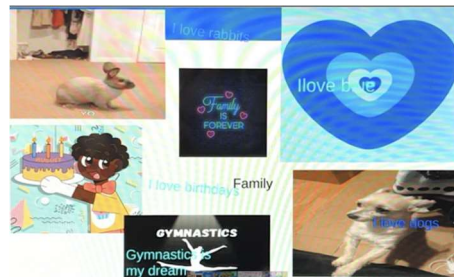

Neurodiversity Week

This week the pupils learned more about how our brains work differently. They also learn that everyone has different strengths and skills; our community celebrates everyone! Pupils and staff learn what it means to be autistic, or dyslexic, dyspraxic, and other names for identifying neurodiversity. We also learned about people who have made a positive difference in our world who are neurodiverse.

Year 5 used the Chromebooks to create an 'All About Me' slide filled with images about what makes us unique! We have had lots of interesting discussions in class about how we are all different and why it is important to celebrate our uniqueness!

Isabelle has created a fantastic poster at home all about Neurodiversity - well done for researching and learning about a range of neurological differences.

Safeguarding

Countering Financially Motivated Sexual Extortion – CEOP

The criminal practice of extorting individuals on the pain of releasing self-explicit material is commonly known as 'sextortion'. The practice's technical name 'Financially Motivated Sexual Extortion' or FMSE, is an increasingly prevalent form of child sexual abuse. What started as simple money exchanges, now include cryptocurrency seizures and pre-paid gift cards as forms of criminal redemption.

Secondary aged males are overwhelmingly represented in cases of this nature. Often, they'll be enticed by the promise of seeing sexually explicit images, before the rug is pulled and the scam put into operation. As a result, the victims have been tricked or groomed over a period of time. With the rise of AI this practice is becoming more complex with false explicit images actually changing hands, in exchange for a real image of the target. CEOP is highly concerned with this practice and has authored a guide page on what to do. If interested, please follow the link below:

Attendance

Thank you all for keeping up with your children's attendance. If you need to report your child's absence please use one of the following options to do so:

- Email the school office@dorneyschool.co.uk
- Ring the school on 01628 620 871 and choose option 1
- Report the absence via IRISParentmail

Book Donation from Edible London

Thank you to Edible London, courtesy of Kaine's family, for another donation of interactive books for the whole school.

Eid Celebrations

A reminder that **ALL** pupils may come in non-school uniform on **Tuesday 1st April 2025** as part of our community celebrations for the festival of Eid.

Congratulations to Kya Y3 who competed in a kickboxing championship on Saturday which she fought 3 rounds for a won!
